

SOUTH REGION MISSIONS

ANNUAL MISSION TRIP SCHEDULE

December - Sierra Leone

ACTIVITIES AND HIGHLIGHTS: Ongoing programs and interventions include:
ECONOMIC ASSISTANCE/ EMPOWERMENT:

The business mission gives monetary donations to church leaders and church workers to help grow their businesses while seminars are organized to provide training on how to start and run a successful business.

1. Scale-up Grants to small business owners (Sierra Leone);
2. Computer literacy program for new believers and ministry NIGERIA NAMIBIA leaders (Sierra Leone)

COUNSELING/MENTORSHIP:

1. Marriage Seminars;
2. Missionary sponsorship of pastors (Sierra Leone)

CHURCH PLANTING/DEVELOPMENT:

Evangelism is carried out through witnessing and praying with every one that is seen in the outreach clinic and giving out of free Bibles. Christian Film Shows, Marriage Counseling and Preaching represent other areas of outreach.

1. Establishment of local ACF chapters and planting of churches

MEDICAL OUTREACH:

The medical mission takes a multipronged approach to address the medical needs such as dental care, general surgery, eye care and eye surgery, general medical consultations all for free. The immediate goal is to provide glasses and build a Health Clinic in Sierra Leone.

1. Constructed \$300,000 Clinic in Sierra Leone (near Freetown);
2. Annual Medical Missions (Sierra Leone, Nigeria);
3. Free reading glasses;
4. Shipment of dialysis machines to Nigeria and other West African countries

EDUCATION:

Avenues of educational outreach includes the provision of supplemental teaching of Physics, Biology, Mathematics and Chemistry to High School students as well as the giving out of money donations to rebuild black boards and install working toilets in High schools.

1. Pioneered building of Christian High School (Ghana);
2. Secondary and college education sponsorships for African Indians (Siddis) in India;
3. Infrastructure renewal and expansion for Bondon Secondary School (Kaduna State, Nigeria);
4. Annual Bondon Secondary School visits to teach Mathematics and Science (Kaduna State, Nigeria);
5. Contributions towards building orphanage dormitory (Batibo, Cameroon)
