

## Advertise Your Business, Promote Your Brand or Showcase Your Family

Dear Sir/Madam:

The African Christian Fellowship USA Inc. (ACF USA) Conference Planning Committee is seeking business, organization, and/or individuals to help sponsor events at the upcoming ACF USA National Conference. The conference will be at the Sheraton North Houston, at George Bush Intercontinental Airport, from July 3-7, 2019. The conference theme, *Impact2019*, is a call to leverage all resources towards fulfilling the ACF USA mission – to Impact the People and Nations of Africa with the Gospel of Jesus Christ.

Show your support for the African Christian Fellowship by advertising your business, promoting your product or service brand, congratulate or shout out to your friends and family, or acknowledge/remember a loved one.

You will have your product or message in the hands of the expected 1,000 attendees at the conference, and over 5,000 people in our communication network around the globe through our various online platforms.

We are confident that your sponsorship will have a positive net impact as we hope to raise \$50,000 to support our ongoing outreach to various communities in Africa. We are equally confident that your sponsorship will have a positive net impact on your product/business/service.

Nobody is better equipped to reach Africans with the love of Christ than the African Christian Fellowship, and African Christian Fellowship cannot do it without you.
